## Appendix B – The owners and occupiers of the land adjacent to the land to which the substantive application relates for the purposes of section 53(2)(h) and (i) of the FTAA

Set out below is a table of the details of the landowners and occupiers who own or occupy land that adjoins the Central and Southern Block Mining Project.

A corresponding set of maps with the property “identifier” is **enclosed**.

TIL has made all reasonable enquiries to identify the owners and occupiers of these properties. It has prepared the list below based on details it has on file, using LINZ records, and using the land data service called GRIP. Where a physical address or contact phone number was unknown TIL has made enquires with the Waikato Regional Council and the Waitomo District Council to confirm these details. For the five properties that do not have confirmed legal addresses, phone numbers have been identified.
