MAY IT PLEASE THE PANEL:

1. Thank you for the opportunity to review the Panel's Minute 11 dated 13 November 2026.

2. Winstone makes the following observations.

   (a) The Applicant's understanding of the Department of Conversation's (DOC) changes sought to Condition 1(c) of Appendix H is that Winstone and DOC are requesting the same wording change.

   (b) The memo from DOC requests that the wording of Condition 1(c) of Appendix H: Complex Freshwater Fisheries Activity Approval Conditions be amended to be the same as Resource Consent Condition 62(b).

   (c) Resource Consent Condition 62(b) was modified at s70 stage to reflect changes to the application, specifically proposed salvage efforts in upstream reaches of Tributary 4 during Stage 2, and requires;

   (d) (b) plans identifying the locations where salvage of fish and kōura will be undertaken and in Tributaries 3 and 4 restrict salvage to culvert installation sites only at Stage 2;

   (e) It is recommended that Condition 1(c) of Appendix H: Complex Freshwater Fisheries Activity Approval Conditions be updated to reflect this change and achieve consistency across the conditions set. Condition 1(c) <u>currently requires</u>:…..

3. Winstone also consider that the Panel's reference to Condition (589) (c) should be 590 (c) and the reference to Condition 596 should be 597 as no paragraphs have been deleted above 699.

P TANCOCK
