To Whom it may Concern,

Taranaki VTM Project – FTA#008 Application by Trans-Tasman Resources Ltd.

I myself and thru my company Hollings Resource Management, we own fish quota in the relevant area re this project Taranaki VTM Project – FTA#008 Application by Trans-Tasman Resources Ltd. I consider the application and associated reports/studies to be very comprehensive and of very high quality and quantity.

I am 66 years of age with a BSc Hons degree and with long professional experience in matters-marine including; ecology, fish & fisheries, consenting, effects assessment and management, and re the other headings listed above.

I write to hereby submit that I am 100% in full support of this project being approved as requested in all respects = Taranaki VTM Project – FTA#008 Application by Trans-Tasman Resources Ltd.

I have no personal or financial interest whatsoever in this project.

My reasons for full support include;

- The ecological and other adverse effects are not significant.
- Also the area of application is a robust environment that can readily handle/remedy any potential effects.
- The benefits are good.

The project should be granted all approvals sought and it should proceed ASAP.

Kindest regards
