Mōrena Pamela,

Thank you for your email requesting to meet to discuss your Fast Track application.

As you will be aware the Fast Track Approvals Bill is due to be enacted this week.

Our team is currently working at pace to develop necessary systems and processes, and to produce guidance and application material, in order that we are in a position to receive applications once the Fast Track Approvals Bill is enacted and applications are able to be lodged.

We will be able to meet with prospective applicants after enactment of the Bill, and finalisation of our guidance material. We anticipate this will be early in the new year and will make contact with you then.

Please keep an eye on this page for updates - [Fast-track approvals proposed process | Ministry for the Environment](#).

Thank you again for your patience while we get ready to stand up the new Fast Track Approvals process.

Ngā mihi,

Many thanks,

Hi Stephanie

We have a number of listed projects we are lodging towards the end of February. Now that the bill has passed its third reading, is it possible to lock in pre-application meetings first thing in the new year?

Look forward to hearing from you.
