

Technical Advice - Hydrology by Bas Veendrick

Date	28 August 2025
To	Ellie Watson, Environmental Manager – South Island Renewables, Genesis Energy
From	Bas Veendrick, Technical Director – Water resources, Pattle Delamore Partners Ltd
Project advice provided for	Tekapo Power Scheme – Applications for Replacement Resource Consents
Documents referred to	Pattle Delamore Partners Ltd (2025), <i>Tekapo Power Scheme – Hydrological and Hydrogeological Analysis</i>. Prepared for Genesis Energy Ltd. April 2025. I have been responsible for the hydrological sections of the report
Qualifications	I have a Bachelor of Science in Earth Sciences and a Master of Science in Hydrology. I am a Member of the New Zealand Hydrological Society and have twenty years of work experience as a hydrologist.
Code of Conduct	As an expert witness I have read, and I am familiar with, the Code of Conduct for expert witnesses contained in the Environment Court Practice Note 2023. This memorandum has been prepared in compliance with that Code. In particular, unless I state otherwise, this response is within my area of expertise and I have not omitted to consider material facts known to me that might alter or detract from the opinions I express.
