Dear Sirs,

Land adjacent to SH60, Ruby Bay Bypass, Tasman

Further to our recent discussions regarding Section 34, SO 440 217 , RT 600148, the New Zealand Transport Agency confirms that it will grant a Licence to Occupy this land for the use of the land for wastewater (treated) disposal upon Resource Consents being issued. NZTA confirms that our standard Licence to Occupy Agreement has no term and is therefore in perpetuity and is personal to the Grantee.

Regards,

Steve Cottrell
Principal Property Manager
