

01st September 2025

Dear Rob,

Invitation to Join the Bendigo-Ophir Gold Project Community Liaison Group

Matakanui Gold Limited (MGL) is pleased to invite you to join the Community Liaison Group (CLG) established for the Bendigo-Ophir Gold Project.

The CLG has been created to provide a constructive forum for open communication, information sharing, and feedback between the project team and our local community. As a valued community representative, your input will help ensure that local perspectives are heard and considered as the project progresses.

Purpose of the CLG:

- Facilitate communication and strengthen relationships between Matakanui Gold Limited (MGL) and the community.
- Provide a direct channel for feedback from stakeholders.
- Support transparency by ensuring members are informed and updated consistently.

Commitment:

The CLG will meet quarterly (March, June, September and December) to coincide with compliance and reporting deadlines. Members will also receive regular updates through newsletters and reports, with additional communications as needed.

We believe your participation will add significant value to the group, and we look forward to working with you to build strong and transparent relationships within the community.

Please confirm your availability to participate by Friday 12th September 2025 by contacting Polly Clague, MGL Senior Advisor of Communications and Government Relations at 021 191 0088 or pclague@santanaminerals.com

Thank you for considering this invitation, and we look forward to your involvement.

Kind regards,

Paul Miles
GM/Chairperson
Matakanui Gold Limited
