Tēnā koe,

Fast-track Approvals Act 2024 – Recommendation on Aquaculture Decision

This letter provides you with the Chief Executive's recommendation on an aquaculture decision for fast-track application FTAA-2511-1138 in accordance with clause 15 of Schedule 5 of the *Fast-track Approvals Act 2024*.

In making this recommendation, the Ministry for Primary Industries (MPI) has carefully considered the best available information and has assessed fast-track application FTAA-2511-1138 in accordance with sections 8 to 10 and section 186GB of the *Fisheries Act 1996*.

MPI is satisfied that the activities proposed by fast-track application FTAA-2511-1138 will not have an undue adverse effect on fishing. Therefore, the recommended aquaculture decision is as follows:

	Decision
Recreational Fishing	Determination
Customary Fishing	Determination
Commercial Fishing	Determination
