IN CONFIDENCE

Thank you for the minute and invite to meet, hui in person
Appreciated

We are happy to join into your preferred hui process...

As you will be aware, if on a Marae such as Takahiwai , the Patuharake hapu would facilitate the Tikanga.

The issue of privacy, 'safety' from intimidation and personal attack by other witnesses, and restricting who can attend would need to be set prior.

We look forward to meeting you and the panel

Kind regards
na
