
MINUTE OF THE PANEL CONVENER
Correction to Minute dated 12 August 2025 – Decision
Timeframe
Taranaki VTM [FTAA-2504-1048]
(15 August 2025)

Purpose of Minute

1. This Minute is issued to correct an error in paragraph 20 of my Minute dated 12 August 2025 regarding the decision timeframe for the Taranaki VTM Expert Panel.
2. Paragraph 20 incorrectly states that the total number of working days following receipt of invited comments is 130. This figure was included in error.
3. The correct timeframe, as determined and intended, is 100 working days following the receipt of invited comments.
4. All other aspects of the Minute dated 12 August 2025 remain unchanged. The Expert Panel decision is still due on 18 March 2026, subject to any suspension of the application under section 60 of the Act, calculated from the correct 100 working day timeframe.
