

## Application for a concession – Ardgour Rise

Clause 3 of Schedule 6 outlines the information required in an application for a concession.

The activity applied for, as set out in A.11 (Section 4.3.1, pgs 10-11) of the application, states:

*“A concession (easement in favour of CODC as a public right of way) for activities occurring on public conservation land within the Ardgour Conservation Area as follows:*

- The establishment and maintenance of a portion of the realigned Thomson Gorge Road (i.e. Ardgour Rise) (largely within an existing easement providing for access) which consists of an approximately 4 m wide 4WD gravel track and any associated vegetation clearance, earthworks and construction activities (including erosion and sediment control measures). Included within the ambit of this concession is the realignment of the Chorus fibre optic cable (currently located within Thomson Gorge Road) within the Ardgour Rise alignment”.*

This assessment provides commentary set out in the table below. The assessment comments on whether the information requirements are considered to be met in relation to the concession sought.
