Hi Alex,

Following receipt of Minute 26 from the Expert Panel, the applicant formally requests that the Sunfield Fast-track application is put on-hold. This will allow the Applicant to discuss particular conditions with Auckland Council, and to finalise the re-organisation of the consent conditions as requested by the Expert Panel.

For the avoidance of doubt, the Applicant confirms that it agrees that the Expert Panel may continue to work on the application during suspension, and that Auckland Council can work on the application during suspension as it relates to finalising the conditions with the Applicant.

Regards,
