Thank you for inviting the New Zealand Transport Agency (NZTA) to comment on the draft consent conditions under section 70 of the Fast Track Approvals Act 2024 for the Foxton Solar Farm (FTAA-2510-1121)

In its submissions to the Expert Panel NZTA sought a condition requiring the applicant to prepare a Construction Traffic Management Plan and consult NZTA in the preparation of the plan. Conditions A17 and B 2 require both preparation of a Construction Management Plan and NZTA’s involvement.

NZTA is happy with this outcome and has no further comment to offer on the draft conditions. NZTA looks forward to further involvement as necessary.
