Dear Dan

Stellar Passage Fast-Track Application

We have checked our records and confirm that there are no existing resource consents to which Section 124C(1)(c) or 165ZI of the Resource Management Act 1991 (RMA) would apply if the Stellar Passage proposal was a resource consent application under the RMA. All current consents in the area of the Stellar Passage proposal are Port of Tauranga consents. I trust this satisfies Section 30(3) of the Fast-track Approvals Act.

If you require further information, please do not hesitate to contact us.

We look forward to continuing the consultation process prior to lodgement of the Stellar Passage application.

Ngā mihi,

Ella Tennent
Consents Manager
