## MINUTE 2 OF THE PANEL CONVENER

Convener's Conference Tekapo Power Scheme [FTAA-2503-1035]  
(10 June 2025)

---

[1] This Minute addresses the convener's conference requirements and responds to the applicant's memorandum of 9 June 2025.

[2] The applicant is seeking resource consent for controlled activities. Consent must be granted, subject to conditions. The applicant confirms the proposed consent conditions remain partially unresolved. Discussions are ongoing and are said to be in relation to 'minor modifications'.<sup>1</sup>

[3] To assist the Convener in determining the required time, the applicant must file a further memorandum identifying:

- (a) the proposed conditions that are not agreed;
- (b) the persons/organisations involved in the discussions;
- (c) the issues that arise in relation to the disputed conditions;
- (d) proposed steps (i.e. expert conferencing, condition workshop, mediation) with associated deadlines; and
- (e) the proposed time for filing a supplementary report and updated conditions, if changes are agreed.

---

<sup>1</sup> At [10] of the applicant's memorandum.

**Direction**

[4] The applicant is to file and serve a memorandum responding to this Minute by **5pm Wednesday 11 June 2025**.
