Comments on FTAA-2503-1038 Milldale

Introduction

1. On 30 June 2025, we were invited to provide comments on the substantive application for the Milldale project (the project) by 29 July 2025.

Comments

2. We advise that:
 - 2.1. the project area sits outside of the Ngāti Tamaoho Area of Interest and, therefore, the Ngāti Tamaoho Treaty settlement is not relevant to the project area; and
 - 2.2. we do not have a mana whakahono-a-rohe or a joint management agreement in place that could be affected by the project.
3. We also advise that we understand that the project area sits outside of the Ngaati Tamaoho application (MAC-01-03-010) under the Marine and Coastal Area (Takutai Moana) Act 2011.
4. Notwithstanding the above, we support:
 - 4.1. activities that ensure the needs of the present and the future generations are provided for in a manner that goes beyond sustainability and enhances/restores the environment;
 - 4.2. any comments provided by Te Kawerau Iwi Settlement Trust and the Tupuna Taonga o Tāmaki Limited Partnership; and
 - 4.3. any comments provided by Te Ākitai Waiohū Settlement Trust and the Ngāti Te Ata Claims Support Whānau Trust.

Conclusion

5. Our rights and interests arise from our whakapapa to the environment and expressed in relation to the project to the extent that obligations that arise from statute require that relationship be protected.
6. While we accept the opportunity taken by the fast-track team to invite Ngāti Tamaoho to provide comments in this case, we are confident that our rights and interests are not affected by the project.
