Re: Sunfield Fast Track Application: Response to Minute 5 of the Expert Panel.

I, David Eamon O'Reilly am the Principal Environmental Consultant and Managing Director of Focus Environmental Services Limited (FES), a consultancy of experienced scientists and environmental consultants and technicians who provide services to the private, commercial, and industrial sectors throughout New Zealand.

I hold an honours degree in Environmental Chemistry. My relevant professional experience includes over 20 years' experience as an environmental scientist/consultant in the fields of environmental science and contaminated land.

I confirm that I have read the Code of Conduct for Expert Witnesses, contained in the Environment Court Practice Note 2023 and have complied with it in preparing the reports supporting the Sunfield Fast Track Application.

Yours sincerely,
