Heritage New Zealand Pouhere Taonga comments on the draft conditions pursuant to section s70(1) Fast-track Approvals Act

Milldale [FTAA-2503-1038]

Heritage New Zealand Pouhere Taonga (HNZPT) has reviewed the draft conditions for the archaeological authority set out in Appendix A of the draft Decision of the Expert Panel under section 87 of the Fast-Track Approvals Act 2024. We consider the conditions of the authority are appropriate and note that the structure the archaeological authority has been set out to reflect what would otherwise be imposed by HNZPT.

We provide the following details to be added to the authority document. Under the HNZPT process the authority number is a unique identifier, automatically generated upon application. Once the authority has been granted by the FTAA Panel HNZPT will enter the authority into our system and notify the authorised parties identified in the Substantive Application Form and the EPA of the authority number.

Ngā mihi nui,

Chloe Davies on behalf of the HNZPT Fast-track team | Heritage New Zealand Pouhere Taonga | National Office | Email: fasttrack@heritage.org.nz | Visit www.heritage.org.nz and learn more about New Zealand's heritage places.
