

Table of Updated Appendices

Document	Updated	Summary Changes
Kings Quarry Expansion - Stage 2 Fast-Track AEE	Yes	Amendments to the proposal, freshwater ecology assessment, and subsequent references were made to reflect the freshwater offset and compensation changes.
Appendix 1 Record of Title and Interests	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 2 Completed Application Form	No	N/A – All references to the application remain accurate.
Appendix 3 Ineligible Activity Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 4 Stage 1 Approved Consent	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 5 COVID-19 Recovery (Fast-track Consenting) Act 2020 Panel Decision	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 6 FTAA Schedule 2 Application	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 7 Consultation Summary Report	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 8 Section 30 Notice	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 9 Ecological Impact Assessment	Yes	Comprehensive amendments to reflect the proposed changes to the proposed freshwater offsetting and compensation.
Appendix 10 Archaeology Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 11 Full Names and Address of Owners and Occupiers of the Site and Adjacent Land	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 12 Quarry Engineering Overview Plan and Cross-Sections	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 13 Quarry Plans – Staging	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 14 Erosion and Sediment Control Report	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 15 Stage 1 Chemical Treatment Management Plan	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 16 Transportation Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 17 Pavement Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 18 Residual Effects Analysis Report – Terrestrial	Yes	Updates to the Oldfields Road mapping and small consequential amendments to planting

		numbers to reflect the freshwater offset and compensation changes.
Appendix 19 Ecological Management Plan	No	N/A – The proposed offsetting at Hellyer Road was not discussed within this document and no subsequent amendments are required.
Appendix 20 Quarry Remediation Plans	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 21 Residual Effects Analysis Report – Freshwater	Yes	Comprehensive amendments to reflect the proposed changes to the proposed freshwater offsetting and compensation.
Appendix 22 Terrestrial Peer Review Memorandum	No	N/A – This appendix relates only to terrestrial ecological matter and no subsequent amendments are required.
Appendix 23 Freshwater Peer Review Memorandum	Removed	This appendix has been removed from the application due to the proposed freshwater changes and the time constraints involved in updating the document. It is not considered requisite for the processing of the application.
Appendix 24 Residual Effects Management Plan	Yes	Comprehensive amendments to reflect the proposed changes to the proposed freshwater offsetting and compensation.
Appendix 25 Proposed Draft Conditions	Yes	Updates to Condition 9 of the streamworks consent to reflect the proposed changes to length and area of offsetting and compensation. Updates to Attachment 1 dates and revisions.
Appendix 26 AUP(OP) Rules Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 27 Quarry Management Plan	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 28 Dust Management Plan	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 29 Geotechnical Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 30 Economic Impact Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 31 Greenhouse Gas Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 32 Groundwater Effects Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 33 Air Quality Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 34 Landscape and Visual Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 35 LVA Appendices	No	N/A – Freshwater offset and compensation is not relevant to this appendix.

Appendix 36 Acoustic Assessment	No	N/A – Freshwater offset and compensation is not relevant to this appendix.
Appendix 37 AUP(OP) Objectives and Policies Assessment	Yes	Updates to assessment to reflect freshwater offset and compensation changes.
Appendix 38 Wildlife Approvals Checklist and information Requirements	No	N/A – Freshwater offset and compensation is not relevant to this appendix. It is noted that the changes to the Ecological Impact Assessment did not change the section references.
Appendix 39 - Freshwater Fisheries Activities Memorandum	No	N/A – The Hellyer Road site was not relevant this document. It is noted the section references within the appendix do not require updating.
