Minister for Arts, Culture and Heritage
Minister of Conservation
Minister for Land Information
Minister for the Environment
Associate Minister of Transport

Dear Ministers,

Hon Chris Bishop, the Minister for Infrastructure (the Minister), has asked for me to write to you on his behalf.

The Minister has received an application from New Zealand Transport Agency for referral of the Mill Road Project – Stage 1 project under the Fast-track Approvals Act 2024 (the Act) to the fast-track process (application reference FTAA-2506-1079).

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits.

Invitation to comment on referral application

I write in accordance with section 17 of the Act to invite you to provide written comments on the referral application. I have provided summary details of the project below.

If you wish to provide written comments, these must be received by **return email** within **20 working days** of receipt of this email. The Minister is not required to consider information received outside of this time frame. Any comments submitted will contribute to the Minister's decision on whether to accept the referral application and to refer the project.

If you do not wish to provide comments, please let us know as soon as possible so we can proceed with processing the application without delay.

If the Minister decides to accept the application and to refer the project, the Applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Process

The application documents are accessible through the Fast-track portal. Please note that application documents may contain commercially sensitivity information and should not be shared widely. If you haven't used the portal before, you can request access by emailing ftareferalls@mfe.govt.nz. Once you are registered and have accepted the terms and conditions, you will receive a link to view the documents. Existing users will be able to see application documents via the request when logging into the portal. Should you need for your agency to provide any supplementary information, a nominated person can be provided access to the portal, access can be requested by emailing ftareferalls@mfe.govt.nz.

To submit your comments on the application, you can either provide a letter or complete the attached template for written comments and return it by replying to this email, infrastructure.portfolio@parliament.govt.nz.

Before the due date, if you have any queries about this email or need assistance with using the portal, please email contact@fasttrack.govt.nz. Further information is available at <https://www.fasttrack.govt.nz/>.

Important Information

Please note that all comments received from Ministers invited to comment will be subject to the Official Information Act 1982. Comments received will be proactively released at the time the Minister for Infrastructure makes a referral decision, unless the Minister providing comments advises the Minister for Infrastructure's office they are to be withheld, at the time they are submitted.

If a Conflict of Interest is identified by the Minister providing comments at any stage of providing comments, please inform my office and the Cabinet Office immediately. The Cabinet Office will provide advice and, if appropriate, initiate a request to the Prime Minister to agree to a transfer of the project/portfolio invite to another Minister (a request to transfer a COI from one Minister to another can take 1-7 days).

s 9(2)(a)

Dear Phil

Invitation to provide written comments on application for referral of the Mill Road Project Stage 1 project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from New Zealand Transport Agency for referral of the Mill Road Project Stage 1 project under the Fast-track Approvals Act 2024 (the Act) to the Fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits.

I write under delegation from the Minister and in accordance with section 17 (the Minister must invite comments from relevant local authorities).

Under section 17(1)(a) of the Act, I invite Auckland Council to provide written comments on the referral application. Please note the criteria in [section 22](#) of the Act will guide the Minister's decision-making on whether to refer a project to the Fast-track approvals process.

In addition, under section 17(3) of the Act and without limiting any general comments under subsection (1)(a), Auckland Council **must** provide written comments advising on the following:

1. Any applications that have been lodged with the Council that would be a competing application or applications if a substantive application for the project were lodged. If no such applications exist, please also confirm this in writing
2. In relation to projects seeking approval of a resource consent under section 42(4)(a) of the Act, whether there any existing resource consents issued where sections 124C(1)(c) or

165ZI of the Resource Management Act 1991 (RMA) could apply, if the project were to be applied for as a resource consent under the RMA. If no such consents exist, please also confirm this in writing.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or comments sought from anyone outside of your organisation.

Any written comments you provide, must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will help inform the Minister and the criteria in [section 22](#) of the Act will guide the Minister's decision-making on whether to refer the project.

If the Minister decides to accept the application and to refer the project, the Applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Please upload any comments to the application portal or email to referral@fasttrack.govt.nz. Written comments may be provided by using the template for written comments in Attachment 1 or an alternative format/document, if preferred.

Before the due date, please email any queries about this letter to referral@fasttrack.govt.nz and include the name of the Application Lead – Stephanie McNicholl. For assistance with the application portal, please email contact@fasttrack.govt.nz or phone 0800 FASTRK (0800 327 875).

Dear Dean

Invitation to provide written comments on application for referral of the Mill Road Project Stage 1 project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from New Zealand Transport Agency (NZTA) for referral of the Mill Road Project Stage 1 project under the Fast-track Approvals Act 2024 (the Act) to the Fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits.

I write under delegation from the Minister and in accordance with section 17(5) of the Act (the Minister may invite written comments on a referral application from any other parties).

I invite Auckland Transport (AT) to provide written comments on the referral application and the following matter:

1. The project describes a transfer of the designation responsibilities from AT to NZTA and proposed changes to the designation. Are there any related matters that AT considers may adversely affect project delivery?

Please note the criteria in [section 22](#) of the Act will guide the Minister's decision-making on whether to refer a project to the Fast-track approvals process.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or comments sought from anyone outside of your organisation.

Any written comments you provide, must be received within **20 working days** of receipt of this letter and copy of the application. Secretary for the Environment
Ministry for the Environment

s 9(2)(a)

Dear James

Invitation to provide written comments on application for referral of the Mill Road Project Stage 1 project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from New Zealand Transport Agency for referral of the Mill Road Project Stage 1 project under the Fast-track Approvals Act 2024 (the Act) to the Fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits.

I write under delegation from the Minister and in accordance with section 17(1)(c) of the Act (the Minister must invite comments from relevant administering agencies).

I invite the Ministry for the Environment to provide written comments on the referral application as the administering agency for the Resource Management Act 1991. Please note the criteria in [section 22](#) of the Act will guide the Minister's decision-making on whether to refer a project to the Fast-track approvals process.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in-confidence and should not be forwarded or comments sought from anyone outside of your organisation.

Any written comments you provide, must be received within **20 working days** of receipt of this letter and copy of the application. The Minister is not required to consider information received outside of this time frame.

Comments received will help inform the Minister and the criteria in [section 22](#) of the Act will guide the Minister's decision-making on whether to refer the project to the Fast-track approvals process.

If the Minister decides to accept the application and to refer the project, the Applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Please upload any comments to the application portal or email to referral@fasttrack.govt.nz. Written comments may be provided by using the template for written comments in Attachment 1 or an alternative format/document, if preferred.

Before the due date, please email any queries about this letter to referral@fasttrack.govt.nz and include the name of the Application Lead – Stephanie McNicholl. For assistance with the application portal, please email contact@fasttrack.govt.nz or phone 0800 FASTRK (0800 327 875).

Yours sincerely

Ilana Miller
