We are a commercial property and professional services business that has been operating in New Zealand for 35 years. Our Auckland Head Office is located on Level 23 of 188 Quay Street, which directly adjoins the Downtown Carpark Redevelopment.

Colliers New Zealand support the proposed development in its entirety.

We believe that the development will be transformative for the Downtown Auckland CBD and is long overdue.

We are huge advocates of Precinct Properties New Zealand Limited and believe that the quality of projects they deliver is best in class; both in a New Zealand and international context.

In our opinion, they are absolutely the right party to develop the site and we have full trust in their organisation to deliver the best outcomes for Auckland.

We are hugely excited about the development and how it will continue to transform the Downtown area from multiple perspectives; commerce, retail, hospitality, residential, amenity and streetscape.
