Any person using Southern Land drawings and other data accepts the risk of using the drawings and other data in electronic form without requesting and checking them for accuracy against the original hard copy versions or with Southern Land directly and ensuring the information is the most recent issue. If the plan is being used for resource consent purposes then areas and dimensions should be carefully indicated and subject to that Land Transfer Survey. As areas and dimensions may vary upon survey it should not be attached to sale & purchase agreements without an appropriate condition to cover such variations.
