**Subject:** WNDL - Updated Condition Set

Good afternoon Alex

Please find attached a covering memo, along with an updated condition set (provided both as a track changed and clean copy) for filing with the Panel. WNDL requests that the Panel resume processing of the application.

The link below provides access to a set of replacement application appendices that are referenced in the covering memo. Please let me know if you have any issues accessing the link.

[REDACTED]

Kind regards
