Kia ora Maggie,

**AUCKLAND SURF PARK COMMUNITY STAGE 2 – SECTION 30 FAST TRACK APPROVALS ACT 2024**

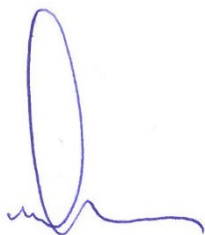

Further to your formal notice pursuant to Section 30(2) of the Fast Track Approvals Act 2024 (FTAA) dated 2 June 2026, this letter is a response in accordance with the requirements of Section 30(3) FTAA.

Based on a review of Council records, I can confirm that no existing resource consents have been identified on or adjoining the subject site to which Section 124C(1)(c) or 165ZI of the Resource Management Act 1991 would apply if the approval were to be applied for as a resource consent under that Act.

For completeness, I note the reference in previous correspondence regarding a groundwater dewatering permit (WAT60429184) and a discharge permit to discharge wastewater to land (DIS60429158) issued for Stage 1 of the Surf Park, and agree that there is no 'overlap' with Stage 2 of the Surf Park proposal.

Therefore there is no requirement for any action on the part of Auckland Council in respect of Section 30(4) FTAA.
