Redaction

CVRs and associated feedback are the intellectual property of the tangata whenua group that has provided the report. These reports/feedback are developed in response to a specific proposal, and tangata whenua are clear that the reports/feedback are not to be used for any other purpose without their express permission.

Additionally, these reports/feedback contain sensitive information which is not appropriate to be publicly available.

For these reasons, this cover report is provided in place of the CVRs and associated feedback, i.e. as a redacted version of Appendix F. The unredacted CVRs and feedback will be provided to the Panel to assist with their assessment of the application.
