Subject: RE: COPRTP-5155 Invite to comment under s72 on draft conditions and decision (FTAA-2503-1028)

Kia ora Nicole – apologies for the delay on this.

Please find comments from Minister Potaka:

1. I support the application subject to the applicant undertaking on-going engagement with Ngāti Whātua Ōrākei and engaging with all other identified groups; and

2. I encourage the applicant to engage with groups raising specific concerns e.g. Waikato-Tainui on their concerns raised in their response to the application and with Ngāti Whātua o Kaipara.

Ngā mhi
