Jack Howarth
Wellington International Airport Limited

Dear Jack,

Variation to Wildlife Act Authority – hunting or killing of Wildlife causing damage

The Wildlife Act Authority 67919-FAU (as varied) held by Wellington International Airport Limited, dated 28 June 2018, is varied to authorise the killing of the following additional species of birds:

- The list of birds contained in the schedule 1

On the basis of information from the Wellington International Airport Limited, I am satisfied that injury or damage to any person is likely to arise through the presence of the birds referred to in the schedule 1.

All other provisions expressed and implied in the Authority continue to apply.

Location: Wellington International Airport

Term: Expires 21 June 2028

Kind Regards,
