Panel Convenor  
Fast Track Approvals  
[delivered to: [info@fasttrack.govt.nz](mailto:info@fasttrack.govt.nz)]

Tēnā koe Jane,

**FTAA-2509-1100 – FAR NORTH SOLAR FARM LIMITED (FNSF) – THE POINT**

The purpose of this letter is to confirm that Te Rūnanga o Arowhenua (Arowhenua) and Aoraki Environmental Consultancy Limited (AECL) are satisfied with the Schedule 1 timetable proposed by the Canterbury Regional Council in their Minute 2 response dated 13 November 2025.

AECL would like the Panel Convenor to be aware that very little consultation has taken place between AECL, Arowhenua and Far North Solar Farm Limited (FNSF). If the Panel Convenor was of the mind to require additional consultation take place prior to Panel members being selected, this may require the commencement date to be delayed.

AECL is happy to discuss timeframes further at the Panel Convenor Conference on 17 November 2025.

Please contact our Principal Planner, Kylie Hall by phone on [REDACTED] or by email [REDACTED] if you have any questions or require further clarification.

Kā mihi,

**Ally Crane**
