No worries at all.

Our team will do due-diligence checks prior to uploading anything to the website but it is worth noting that time spend for this will be cost-recovered.

As an update on the MfE contacts for consultation front. We have passed on a request to the team there. I'll let you know as soon as I can if we receive a process or a contact from MfE. Let us know if you have any progress there too.

Ngā mihi,

Senior Advisor

Kia ora Rachel,

In terms of redacting information, only private and/or sensitive information is required to be redacted to ensure adequate protection when documents are made public.

I hope this information helps. Looking forward to receiving your application.

Morning [REDACTED]

Thanks for your time on Tuesday.

One question that's come up in the course of finalising the application is whether any contact details on Council correspondence etc need to be redacted? We are hoping that we don't need to do this but if we do then please let us know.

Ngā mihi | Kind regards,
