

Appendix A

Code of Conduct

Compliance with the Environment Court Practice Note 2023

I confirm that, in my capacity as lead author of this report, I have read and abided by the Environment Court of New Zealand's Code of Conduct for Expert Witnesses contained in the Practice Note 2023.

I am a Technical Director - Planning at Tonkin & Taylor Ltd (T+T), where I specialise in all aspects of planning including consent acquisition, strategy, policy and appearing as an expert witness. I have been employed at T+T for 15 years. Prior to joining T+T, I worked as a planning consultant doing expert witness hearing work and consent acquisition.

I have 25 years of planning experience including a wide range of experience in leading waste infrastructure projects. I am a full member of the New Zealand Planning Institute and a certified RMA Hearings Commissioner. I hold the following qualifications – Bachelor of Planning (Hons), from the University of Auckland.

Recent relevant projects and services that I have been involved with include:

- Auckland Regional Landfill – Technical Planning lead on the preparation of comprehensive resource consents to Auckland Council and the subsequent preparation and presentation of expert planning evidence before the Council hearing and the Environment Court for a proposed new landfill.
- Tirohia Landfill - Technical Planning lead on the preparation of comprehensive resource consents to Council and the subsequent preparation and presentation of expert planning evidence before the Council hearing and the Environment Court for a proposed extension to the existing landfill.
- Redvale Landfill Consent Renewal – Technical Planning lead on the preparation of comprehensive resource consents to Council and the subsequent preparation and presentation of expert planning evidence before the Council hearing and the Environment Court for a proposed extension to the existing landfill in 2015.
- Auckland Unitary Plan development – Technical Planning Lead for WMNZ on the review of relevant provisions, preparation of submissions, further submissions, attendance at mediation, attendance at expert conferencing and preparation and presentation of expert evidence at hearings, with a particular focus on waste provisions in the Proposed Auckland Unitary Plan.
- Drury Quarry (Sutton Block) – Technical Planning Reviewer and Project Director on the preparation of a successful substantive application under the Fast Track Approvals Act for the expansion of the Drury Quarry.

Andrea Brabant
Technical Director - Planning

Compliance with the Environment Court Practice Note 2023

I confirm that, in my capacity as lead author of this report, I have read and abided by the Environment Court of New Zealand's Code of Conduct for Expert Witnesses contained in the Practice Note 2023.

I am a Senior Planner at Tonkin & Taylor Ltd (T+T), where I specialise in all aspects of Planning with a focus on consent and designation acquisition, resource consenting strategy and resource consent compliance management. I have worked at T+T since February 2018.

I have 8 years' experience in Planning. I am a Full Member of the New Zealand Planning Institute. I hold the following qualifications – Bachelor of Environmental Planning from the University of Waikato.

Recent relevant projects and services that I have been involved with include:

- Proposed Auckland Regional Landfill – preparation of the resource consent application AEE and support through the hearing process and preparation of the referral application under the FTAA
- Tirohia Landfill – assistance in the preparation of the AEE to support the resource consent application for an extension of the landfill and support through hearing process
- Whitford Landfill Dam Consent – Lead Planner in the preparation of a renewal resource consent application of the dams located at Whitford Landfill
- Mount Messenger – Compliance lead for the implementation of the resource consents and the preparation of AEEs to support resource consent applications for a restoration wetland and new fill site
