REFERENCE

This report has been prepared by Wikaira Consulting Limited for a substantive application to be considered under the Fast-track Approvals Act 2024. This report forms part of the application lodged on behalf of Winstone Aggregates in relation to the Belmont Quarry Development project.

USE OF DOCUMENT

This document is intended for the sole use of the applicant and relevant decision-making authorities considering the substantive application. It should be read in conjunction with the full suite of technical and statutory information submitted as part of the substantive application. The findings, assessments, and conclusions contained in this report are based on information available at the time of preparation and should not be used for any other purpose without the written permission of the author.
