Archaeological work experience

I have worked since 1989 as an archaeologist throughout New Zealand (North and South Islands) on I am the Director of CFG Heritage, an archaeological and heritage consultancy. I co-founded CFG Heritage in November 2005.

I hold the qualifications of BA and MA from the University of Otago and PhD from the University of Sydney, which I completed in 2000. I am a member and former President of the New Zealand Archaeological Association.

I have 40 years of professional experience as an archaeologist, including roles such as lecturing in archaeology at the University of Auckland. My experience includes assessment, investigation and support at planning and Environment Court hearings for clients such as Auckland Council, Auckland International Airport, Waka Kotahi NZ Transport Agency, Transpower New Zealand and KiwiRail along with private developers throughout the North Island.

I confirm that, in my capacity as author of this report, I have read and abide by the Environment Court of New Zealand's Code of Conduct for Expert Witnesses Practice Note 2023.

My clients include:

- Auckland Council
- KiwiRail
- Auckland International Airport Ltd
- Transpower
- NZ Transport Agency Waka Kotahi
