Dear Jo and Jessica

Subject: PRR00039476 - Response to Notification under Section 30 of the Fast-track Approvals Act 2024

Thank you for your notification dated 6 March 2025 regarding your intention to lodge a substantive application for Drury Quarry Expansion - Sutton Block under the Fast-track Approvals Act 2024 (FTAA).

We note that the requirements of section 30 of the FTAA are relevant where a person intends to make an application for a resource consent to undertake an activity under any of sections 12, 13, 14, and 15 of the Resource Management Act 1991 (RMA) involving the use of a natural resource. For the avoidance of doubt, section 30 requests do not relate to section 9 land use or s11 subdivision consents.

In accordance with section 30(3)(a) of the FTAA, Auckland Council has reviewed its records and confirms that there are no existing resource consents of that kind.

Although there are existing resource consents that authorise the same activity using some of the same natural resource (groundwater).

Council has determined that from a technical perspective the applicants proposed groundwater take will be able to be fully exercised alongside all other existing groundwater take consents.

If you have any questions or require further clarification, please do not hesitate to contact me by email.

Yours sincerely,

Doug Fletcher
