

12 March 2026

Alex Mickleson
Application Lead
Environmental Protection Authority

Dear Alex,

Re: Waitākere District Court – New Courthouse Project Fast-track Application

1. Watercare Services Limited welcomes the opportunity to provide comments on the draft conditions for the Waitākere District Court – New Courthouse Project Fast-track Application, made under the Fast-track Approvals Act 2024.
2. It is recommended that Advice Note 1 appended to Condition 7 is removed as is no longer required as the updated Infrastructure Report (Version 2.11 dated 29 January 2026) notes the completion of the Takapu St upgrade including the abandonment of the 225 pipe and the new 300 pipe and includes updated drawings of the existing public drainage.

Yours faithfully,

Amber Taylor

Development Planning Team Lead – Major Developments, Strategy and Planning
