I refer to your request received on 8 February 2025:

Please confirm if and when:

1. South Island Resource Recovery Limited (SIRRL) has made a substantive application for approval under the Fast-track Approvals Act 2024
2. They have paid the appropriate fees to cover a substantive application.

The Environmental Protection Authority has not received a substantive application for approval under the Fast-track Approvals Act 2024 from South Island Resource Recovery Limited. Fees are not paid until a substantive application has been made, therefore no fee has been paid.
