Good afternoon s9(2)(a),

Thank you for being so understanding that I had missed this email and request under s30 of the Fast Track Approval Act previously and was not able to reply until now.
Attached is a spreadsheet that outlines all current resource consent and applications within immediate proximity to the proposed NZTA Tauriko West project.

Having reviewed this spreadsheet, I agree with you that there do not appear to be any existing resource consents to which section 124C(1)(c) of the RMA would apply, nor any competing applications as defined under the FTAA.

If you have any questions or would like to discuss this further, please don't hesitate to get in touch.

Kind regards

s9(2)(a)

Hi s9(2)(a),

My apologies, I missed this email prior to going on leave regarding any competing consents. I will endeavour to look into this now and respond early next week. Although, I think your team are well aware of all existing consents in the immediate area of the project in any case and how your proposed works will tie in with them.

Kind regards

Kia ora s9(2)(a),

Please find attached a letter and a request as required by Section 30 of the Fast Track Approvals Act 2024 in relation to the Tauriko West - Tupenga Roads of National Significance Project (the Project).

To assist BOPRC in their review, I have attached a RNRP assessment which outlines what consents are required for the Project. s9(2)(a) the updated Project designation footprint has also been uploaded to the 'Drawings Folder' within the shared folder that s9(2)(a) has shared with the consenting authority forum. s9(2)(a) – if you require access to these plans in s9(2)(a) absence, please let us know and we can share the link.

Kind regards,

s9(2)(a)
