Dear [REDACTED]

**Subject: Response to Notification under Section 30 of the Fast-track Approvals Act 2024**

Thank you for your notification letter dated 04 March 2025 in accordance with S30(2) of the Fast-Track Approvals Act 2024 (FTAA) relating to your understood intention to lodge a substantive application for the Rangitōopuni listed project (schedule 2) under the FTAA.

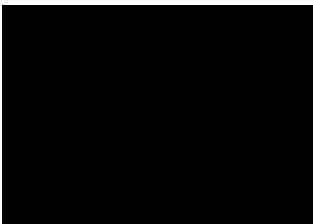

We note that the requirements of S30 of the FTAA are relevant where an authorised person intends to make an application for a resource consent to undertake an activity involving the use of a natural resources (sections 12, 13, 14, and 15 of the Resource Management Act 1991 (RMA) with relevance to Auckland Territorial Region). For the avoidance of doubt, S30 requests do not relate to section 9 land use or s11 subdivision consents.

In accordance with section 30(3) of the FTAA and the requirements on Auckland Council as a consent authority, Auckland Council has reviewed its records including utilising the RoTs for the application site and I confirm that no existing resource consents of the kind defined by section 30(3) of the FTAA have been identified.

Therefore, as no existing resource consents under S30(3) have been identified, section 30(4) and section 30(5) of the FTAA are not engaged and no further action is required by Auckland Council in respect to these sections.

I trust that this provides a complete response to your notification under S30(2) of the FTAA. If you have any questions or require further clarification, please do not hesitate to contact me by email.

Yours sincerely,

Principal Project Lead  
Auckland Council
