
MINUTE OF THE PANEL CONVENER
(31 March 2025)

Confirmation of Application Receipt and Upcoming Steps – Bledisloe North Wharf and Fergusson North Berth Extension [FTAA-2502-1028]

[1] The purpose of this Minute is to confirm that a copy of the Bledisloe North Wharf and Fergusson North Berth Extension [FTAA-2502-1028] substantive application has been provided to me under section 47(7) of the Fast-track Approvals Act 2024 (the Act).

[2] The EPA has requested a report under section 18 of the Act. Once I receive that report, which is due in the next 10 working days, I will contact you regarding the next steps in this process.

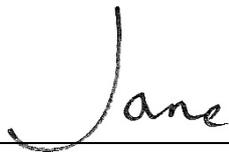

[3] Those steps are likely to include a meeting with me to discuss the following matters:

- (a) The appointment of panel members (Schedule 3 of the Act), and
- (b) The timing of the panel decisions (Section 79 of the Act).

A minute will be issued prior to that event.

[4] After that meeting, I will invite the local authority(ies) to nominate a person for appointment to the panel.

[5] If you have any questions, please contact Alex Mickleson, Project Lead, by email at info@fasttrack.govt.nz
