Dear Jennifer,

Thank you for the invitation to comment on Westhaven Residential Limited Partnership's Fast-track Approvals Act 2024 (FTAA) substantive application, 188 Beaumont Street Development (FTAA-2604-1205).

The proposed development addresses climate adaptation through the proposed design treatment for the adaptive ground floor and services treatment.

I wish to take this opportunity to express my broad support for projects which deliver positive climate adaptation outcomes for New Zealand, including the 188 Beaumont Street project. Please take this letter of support as a reflection of the Government's climate priorities.

Yours sincerely

Hon Simon Watts
Minister of Climate Change
