RC14897FA Tauriko West Section 177 Request Designation WBI

Further to your request of 26 June 2026 regarding requirement to carry out discussions with Western Bay on the proposed overlap of designations on our site at 1484 Cameron Road, Tauranga.

This is to confirm that the overlap of Designation WBI on top of the existing designation has been discussed with Council and we have no fundamental issues with the proposed overlap of designations.

A s177 consent can be considered at a latter stage by Council if required.

Yours sincerely
