**MINUTE 1 OF THE PANEL CONVENER**  
**Convener's Conference [Sunfield] [FTAA-2503-1039]**  
**(27 May 2025)**

---

**Purpose of conference**

[1] A conference will be held on **6 June 2025 at 10 am**, a notice will shortly issue.

[2] The purpose of this conference is to gather participant views on matters arising under the Fast-track Approvals Act 2024 (FTAA). These views will inform two decisions I must make as panel convener regarding:

- (a) Appointment of panel members (FTAA, schedule 3).
- (b) The timing of the panel decision (FTAA, section 79).

[3] I note that the assessment of time for a decision must be made ahead of a panel being set up and acknowledge that the panel can set its own processes. Additionally, there may be persons not invited to this conference, invited by the panel to comment, who may have different views on process.<sup>1</sup> Your participation

---

<sup>1</sup> Persons commenting under s 53 may be requested to provide further report or information pursuant to s 67 and evidence pursuant to s 58.

is essential to determining the time frame for the decision.<sup>2</sup> Not participating risks:

- (a) Insufficient time being allowed, impacting the quality of the decision-making and risking also not adequately engaging with the wider requirements of public law leaving the decision susceptible to appeal or review.
- (b) An overallocation of time which would not satisfy the procedural principles in section 10 of the Act.

### **Participants at the panel convener's conference**

[4] The following persons are invited to attend the conference:

- (a) The authorised person or applicant.
- (b) Relevant iwi authority and relevant Treaty settlement entities (see Schedule 3).<sup>3</sup>
- (c) Relevant administering agency.
- (d) Relevant local authority.

### **Accessibility and recording of the panel convener's conference**

[5] The conference will be held remotely, with access provided to participants. After the conference an audio or video link or written transcript will be made available.

---

<sup>2</sup> Assuming the default of 30 days does not apply. See s 79.

<sup>3</sup> FTAA, ss 18(2)(a). Section 7 states, relevantly, all persons performing and exercising functions, powers, and duties under this Act must act in a manner that is consistent with—the obligations arising under existing Treaty settlements. The panel has a discretion to invite the iwi authorities and the Treaty settlement entities together with other Māori groups with a relevant interest to comment.

## Schedules and Appendices

[6] To inform decisions on time frame and panel composition, all participants are to provide the information sought in Schedules 1 and 2 **attached**.

[7] Schedule 3 is the relevant iwi authority and Treaty settlement entities. The applicant has also consulted with Papakura Marae, an urban marae serving the Takanini, Papakura, Ardmore, and Drury areas. The six iwi authorities with whom the applicant has closely engaged (Ngāti Tamaoho, Te Ākitai Waiohū, Ngāti Te Ata, Ngaati Whanaunga, Ngāti Paoa, and Ngāi Tai ki Tāmaki) have acknowledged this consultation as appropriate. However, these iwi authorities view Papakura Marae as a community stakeholder rather than mana whenua and believe that engagement with the marae should not be considered equivalent to engagement with iwi authorities. For completeness, Papakura Marae has been included in the list at **Schedule 3**.

## Cost recovery

[8] Information from EPA on cost recovery in the context of the convener's conference is **attached** as **Appendix 1**.

## Preparation

[9] In the interests of taking all practical steps to use timely, efficient, consistent and cost-effective processes, I ask that participants take time to consider the range of matters set out in Schedule 1 and 2 to this minute and be prepared to discuss their views on those matters.

## Direction

[10] The participants are to file a written response to the matters set out in Schedules 1 and 2 attached to this Minute. Responses are to be filed **3 working**

**days** prior to the conference.

Associate panel convener for the purpose of the Fast-track Approvals Act 2024

## **Appendix 1: Information from EPA on cost recovery in the context of the convener's conference**

Administered by the EPA, cost recovery is provided for under the Act and its Regulations. However, not all costs are recoverable from applicants. With respect to the convener's conference, only the actual and reasonable costs incurred in relation to panel conveners in performing or exercising their functions, duties, and powers under the Act in respect of an application will be recoverable under s 104(2)(b) of the Act.

Actual and reasonable costs for preparing and attending this conference can be cost recovered. Costs should be directly related, and proportionate, to the two decisions being made by the panel convener following the conference (on time frame and panel composition), noting that all Schedule 1 and 2 matters are designed to assist the convener in deciding these matters.

Reasonable preparation time may vary depending on the complexity and range of issues engaged. All actual time spent at the conference can be cost recovered.

Costs charged at the individual's usual charge out rate (or at a reasonable rate considering relevant experience, if there is no usual rate) will be considered reasonable.

The EPA does not recover costs incurred by other parties in consulting and providing assistance to a prospective applicant before the application is lodged.
