Hi there,

The only comments from Land Information New Zealand and the Minister for Land Information is that the application has no adverse implications for the Land Information portfolio. There is no affected LINZ-administered land and no substantive reason for the Minister for Land Information to make a submission to the Expert Consenting Panel under sections 53 and 54 of the Act.

Kind regards,

**Taine Lawrence**

**Acting Private Secretary (Land Information)** | Office of Hon Chris Penk
