To:

Minister for Economic Growth

Minister for Rail

Minister for Regional Development

Minister of Climate Change

Minister for the Environment

Minister for the South Island

Associate Minister of Transport

Dear Ministers,

Hon Chris Bishop, the Minister for Infrastructure (the Minister), has asked for me to write to you on his behalf.

The Minister has received an application from Southern Link Property Limited for referral of the Southern Link Inland Port under the Fast-track Approvals Act 2024 (the Act) to the fast-track process (application reference FTAA-2505-1059).

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits.

Invitation to comment on referral application

I write in accordance with section 17 of the Act to invite you to provide written comments on the referral application. I have provided summary details of the project below.

If you wish to provide written comments, these must be received by **return email** within **20 working days** of receipt of this email. The Minister is not required to consider information received outside of this time frame. Any comments submitted will contribute to the Minister's decision on whether to accept the referral application and to refer the project.

If you do not wish to provide comments, please let us know as soon as possible so we can proceed with processing the application without delay.

If the Minister decides to accept the application and to refer the project, the Applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Process

The application documents are accessible through the Fast-track portal. Please note that application documents may contain commercially sensitivity information and should not be shared widely. If you haven't used the portal before, you can request access by emailing ftareferalls@mfe.govt.nz. Once you are registered and have accepted the terms and conditions, you will receive a link to view the documents. Existing users will be able to see application documents via the request when logging into the portal. Should you need for your agency to provide any supplementary information, a nominated person can be provided access to the portal, access can be requested by emailing ftareferalls@mfe.govt.nz.

To submit your comments on the application, you can either provide a letter or complete the attached template for written comments and return it by replying to this email, infrastructure.portfolio@parliament.govt.nz.

Before the due date, if you have any queries about this email or need assistance with using the portal, please email contact@fasttrack.govt.nz. Further information is available at <https://www.fasttrack.govt.nz/>.

Important Information

Please note that all comments received from Ministers invited to comment will be subject to the Official Information Act 1982. Comments received will be proactively released at the time the Minister for Infrastructure makes a referral decision, unless the Minister providing comments advises the Minister for Infrastructure's office they are to be withheld, at the time they are submitted.

If a Conflict of Interest is identified by the Minister providing comments at any stage of providing comments, please inform my office and the Cabinet Office immediately. The Cabinet Office will provide advice and, if appropriate, initiate a request to the Prime Minister to agree to a transfer of the project/portfolio invite to another Minister (a request to transfer a COI from one Minister to another can take 1-7 days).

Project summary

--	--

Project name	Southern Link Inland Port
Applicant	Southern Link Property Limited
Project description	The project is to establish and operate an Inland Port / Logistics Hub to service Port Otago at 270-292 Dukes Road North, North Taieri. The site is located adjacent to the Taieri Branch Rail Line corner of Stedman Road and Dukes Road North. The project comprises: a. a rail siding to enable a rail freight shuttle service to Port Chalmers and the wider rail network b. up to 80,000 m² of high stud warehousing (chilled and ambient) c. a truck canopy and unloading area d. a 5-hectare container depot facility e. up to 5 hectares of container terminal for storage of full containers including up to 1,500 refrigerated container charging ports f. break bulk storage facilities g. road widening and upgrades to the Dukes Road rail crossing; and h. ancillary activities to support the above, including earthworks, construction of the rail siding, site access, internal roadways and parking, hardstand areas, landscaping, buildings for storage, administration and maintenance facilities, and associated infrastructure and works including measures necessary to manage stormwater and stabilise the site.

Yours sincerely

Hon Chris Bishop

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited (the applicant) for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(d) of the Act (which requires consultation with relevant Māori groups identified under section 18(2)). I invite you to provide written comments on the referral application.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or comments sought from, anyone outside of your organisation.

If you wish to provide written comments, these must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If you provide written comments as a **Māori consultation group**, you may be entitled to a financial contribution of \$1,500 (excluding GST) under Schedule 2 of the Fast-Track Approvals (Cost Recovery) Regulations 2025. For information about contribution fees and invoices refer to the Fasttrack webpage on [Cost recovery for agencies](#).

fasttrack.govt.nz | contact@fasttrack.govt.nz | 0800 FASTRK

Fast-track referrals are administered on behalf of the Minister for Infrastructure by
The Ministry for the Environment | PO Box 10362 | Wellington 6143, New Zealand | NZBN: 9429041908853

If the Minister decides to accept the application and to refer the project, the applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Please upload your comments directly via the portal by completing the template for written comments provided in Attachment 1. Alternatively, you are welcome to upload your comments via the portal using your own format or document, if preferred.

Before the due date, if you have any queries about this letter or need assistance with using the portal, please email contact@fasttrack.govt.nz or phone 0800 FASTRK (0800 327 875).

Project name	Southern Link Inland Port project
Applicant name	Southern Link Property Limited
Project summary	The project is to establish and operate an Inland Port / Logistics Hub to service Port Otago at 270-292 Dukes Road North, North Taieri. The site is located adjacent to the Taieri Branch Rail Line corner of Stedman Road and Dukes Road North. The project comprises: • a rail siding to enable a rail freight shuttle service to Port Chalmers and the wider rail network • up to 80,000 m2 of high stud warehousing (chilled and ambient) • a truck canopy and unloading area • a 5-hectare container depot facility • up to 5 hectares of container terminal for storage of full containers including up to 1,500 refrigerated container charging ports • break bulk storage facilities • road widening and upgrades to the Dukes Road rail crossing; and • ancillary activities to support the above, including earthworks, construction of the rail siding, site access, internal roadways and parking, hardstand areas, landscaping, buildings for storage, administration and maintenance facilities, and associated infrastructure and works including measures necessary to manage stormwater and stabilise the site. The project construction will be delivered in three stages, with initial infrastructure and facilities built within 12-18 months post-approval, expanded container storage and warehousing added within 2-5 years, and further development occurring over 5-10+ years as demand grows.

Sandy Graham
Chief Executive
Dunedin City Council

Email: s 9(2)(a)

Dear Sandy

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited (the applicant) for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(1)(a) of the Act, I invite Dunedin City Council to provide written comments on the referral application. Under section 17(3) of the Act and without limiting any general comments under subsection (1)(a), Dunedin City Council **must** provide comments advising on the following matters:

- 1. Any applications that have been lodged with the Council that would be a competing application or applications if a substantive application for the project were lodged. If no such applications exist, please also confirm this in writing*
- 2. In relation to projects seeking approval of a resource consent under section 42(4)(a) of the Act, whether there any existing resource consents issued where sections 124C(1)(c) or 165ZI of the Resource Management Act 1991 (RMA) could apply, if the project were to be applied for as a resource consent under the RMA. If no such consents exist, please also confirm this in writing.*

Under section 20(1), I also invite you to provide further information on the following matters:

- 3. Whether the project may deliver significant regional or national benefits (refer to section 22 of the Act for the criteria for assessing referral applications). Additionally, and in this context, provide any high-level commentary regarding the project's alignment with relevant district/city plans, policies, and/or strategies.*

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or comments sought from anyone outside of your organisation.

Written comments must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If the Minister decides to accept the application and to refer the project, the applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Please upload your comments directly via the portal by completing the template for written comments provided in Attachment 1. Alternatively, you are welcome to upload your comments via the portal using your own format or document, if preferred.

Before the due date, if you have any queries about this letter or need assistance with using the portal, please email contact@fasttrack.govt.nz or phone 0800 FASTRK (0800 327 875).

Yours sincerely

James Palmer
Secretary for the Environment
Ministry for the Environment

Email: s 9(2)(a)

Dear James

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited (the applicant) for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(1)(c) of the Act (which requires the Minister to seek comments on a referral application from the relevant administering agencies). I invite the Ministry for the Environment to provide written comments on the referral application as the administering agency for the Resource Management Act 1991.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in-confidence and should not be forwarded or comments sought from anyone outside of your organisation.

If you wish to provide written comments, these must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If the Minister decides to accept the application and to refer the project, the applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application

Project summary	The project is to establish and operate an Inland Port / Logistics Hub to service Port Otago at 270-292 Dukes Road North, North Taieri. The site is located adjacent to the Taieri Branch Rail Line corner of Stedman Road and Dukes Road North. The project comprises: • a rail siding to enable a rail freight shuttle service to Port Chalmers and the wider rail network • up to 80,000 m2 of high stud warehousing (chilled and ambient) • a truck canopy and unloading area • a 5-hectare container depot facility • up to 5 hectares of container terminal for storage of full containers including up to 1,500 refrigerated container charging ports • break bulk storage facilities • road widening and upgrades to the Dukes Road rail crossing; and • ancillary activities to support the above, including earthworks, construction of the rail siding, site access, internal roadways and parking, hardstand areas, landscaping, buildings for storage, administration and maintenance facilities, and associated infrastructure and works including measures necessary to manage stormwater and stabilise the site. The project construction will be delivered in three stages, with initial infrastructure and facilities built within 12-18 months post-approval, expanded container storage and warehousing added within 2-5 years, and further development occurring over 5-10+ years as demand grows.

Email: s 9(2)(a)

Dear Brett

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(5) of the Act. I invite you to provide written comments on the referral application.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or discussed anyone outside of your organisation.

If you wish to provide written comments, these must be received within **20 working days** of receipt of this letter and copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If the Minister decides to accept the application and to refer the project, the applicant will be required to complete any preliminary steps required under the Act and then be able to lodge their substantive application for the approvals they require. An expert panel will be appointed to decide the substantive application.

Richard Saunders
Chief Executive
Otago Regional Council

Email: s 9(2)(a)

Dear Richard

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(1)(a) of the Act, I invite Otago Regional Council to provide written comments on the referral application. Under section 17(3) of the Act and without limiting any general comments under subsection (1)(a), Otago Regional Council **must** provide comments advising on the following matters:

- 1. Any applications that have been lodged with the Council that would be a competing application or applications if a substantive application for the project were lodged. If no such applications exist, please also confirm this in writing*
- 2. In relation to projects seeking approval of a resource consent under section 42(4)(a) of the Act, whether there any existing resource consents issued where sections 124C(1)(c) or 165ZI of the Resource Management Act 1991 (RMA) could apply, if the project were to be applied for as a resource consent under the RMA. If no such consents exist, please also confirm this in writing.*

Under section 20(1), I also invite you to provide further information on the following matters:

- 3. Whether the project may deliver significant regional or national benefits (refer to section 22 of the Act for the criteria for assessing referral applications). Additionally, and in this context, provide any high-level commentary regarding the project's alignment with relevant regional plans, policies, and/or strategies.*

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in-

confidence and should not be forwarded or comments sought from anyone outside of your organisation.

Written comments must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If the Minister decides to accept the application and to refer the project, the applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Please upload your comments directly via the portal by completing the template for written comments provided in Attachment 1. Alternatively, you are welcome to upload your comments via the portal using your own format or document, if preferred.

Before the due date, if you have any queries about this letter or need assistance with using the portal, please email contact@fasttrack.govt.nz or phone 0800 FASTRK (0800 327 875).

Yours sincerely

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited (the applicant) for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the Fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(d) of the Act (which requires consultation with relevant Māori groups identified under section 18(2)). I invite you to provide written comments on the referral application.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or comments sought from, anyone outside of your organisation.

If you wish to provide written comments, these must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If you provide written comments as a **Māori consultation group**, you may be entitled to a financial contribution of \$1,500 (excluding GST) under Schedule 2 of the Fast-Track Approvals (Cost Recovery)

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited (the applicant) for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(d) of the Act (which requires consultation with relevant Māori groups identified under section 18(2)). I invite you to provide written comments on the referral application.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or comments sought from, anyone outside of your organisation.

If you wish to provide written comments, these must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If you provide written comments as a **Māori consultation group**, you may be entitled to a financial contribution of \$1,500 (excluding GST) under Schedule 2 of the Fast-Track Approvals (Cost Recovery) Regulations 2025. For information about contribution fees and invoices refer to the Fast-track webpage on [Cost recovery for agencies](#).

Project name	Southern Link Inland Port project
Applicant name	Southern Link Property Limited
Project summary	The project is to establish and operate an Inland Port / Logistics Hub to service Port Otago at 270-292 Dukes Road North, North Taieri. The site is located adjacent to the Taieri Branch Rail Line corner of Stedman Road and Dukes Road North. The project comprises: • a rail siding to enable a rail freight shuttle service to Port Chalmers and the wider rail network • up to 80,000 m2 of high stud warehousing (chilled and ambient) • a truck canopy and unloading area • a 5-hectare container depot facility • up to 5 hectares of container terminal for storage of full containers including up to 1,500 refrigerated container charging ports • break bulk storage facilities • road widening and upgrades to the Dukes Road rail crossing; and • ancillary activities to support the above, including earthworks, construction of the rail siding, site access, internal roadways and parking, hardstand areas, landscaping, buildings for storage, administration and maintenance facilities, and associated infrastructure and works including measures necessary to manage stormwater and stabilise the site. The project construction will be delivered in three stages, with initial infrastructure and facilities built within 12-18 months post-approval, expanded container storage and warehousing added within 2-5 years, and further development occurring over 5-10+ years as demand grows.

Invitation to provide written comments on an application for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024

An application has been received by the Minister for Infrastructure (the Minister) from Southern Link Property Limited (the applicant) for referral of the Southern Link Inland Port project under the Fast-track Approvals Act 2024 (the Act) to the fast-track approvals process. Project summary details are in Appendix A.

The purpose of the Act is to facilitate the delivery of infrastructure and development projects with significant regional or national benefits. [Section 22](#) of the Act sets out the criteria that inform the Minister's decision-making process on referral applications.

I write under delegation from the Minister and in accordance with section 17(d) of the Act (which requires consultation with relevant Māori groups identified under section 18(2)). I invite you to provide written comments on the referral application.

The information you are receiving is being provided to you consistent with the statutory requirements for consultation under section 17 of the Act. The information is being provided in confidence and should not be forwarded or comments sought from, anyone outside of your organisation.

If you wish to provide written comments, these must be received within **20 working days** of receipt of this letter and a copy of the application. The Minister is not required to consider information received outside of this time frame. Comments received will inform the Minister's considerations in making decisions on whether to accept the referral application. If a decision is made to refer the project, any comments received may assist in determining the information that must be submitted with the substantive application.

If you provide written comments as a **Māori consultation group**, you may be entitled to a financial contribution of \$1,500 (excluding GST) under Schedule 2 of the Fast-Track Approvals (Cost Recovery) Regulations 2025. For information about contribution fees and invoices refer to the Fast-track webpage on [Cost recovery for agencies](#).

fasttrack.govt.nz | contact@fasttrack.govt.nz | 0800 FASTRK

Fast-track referrals are administered on behalf of the Minister for Infrastructure by
The Ministry for the Environment | PO Box 10362 | Wellington 6143, New Zealand | NZBN: 9429041908853

If the Minister decides to accept the application and to refer the project, the applicant will need to complete any preliminary steps required under the Act and then lodge their substantive application for the approvals needed for the project. An expert panel will be appointed to decide the substantive application.

Please upload your comments directly via the portal by completing the template for written comments provided in Attachment 1. Alternatively, you are welcome to upload your comments via the portal using your own format or document, if preferred.

Before the due date, if you have any queries about this letter or need assistance with using the portal, please email contact@fasttrack.govt.nz or phone 0800 FASTRK (0800 327 875).
