**Notice of application by CDL Land New Zealand Limited and invitation to comment under the Fast-track Approvals Act 2024****Notice of Application**

On 23 July 2025, CDL Land New Zealand Limited lodged an application with the Environmental Protection Authority (EPA) for the Arataki project under the Fast-track Approvals Act 2024 (the Act). The application included applying for the following:

- an approval described in section 42(4)(a) or (d) (resource consent or designation).

On 12 August 2025 the EPA determined that the application complied with section 46(2) of the Act. On 26 August 2025 the EPA decided under Ministerial delegation that the application does not have competing applications [or existing resource consents] under section 47 of the Act and has now referred the application to the Arataki expert panel (the Panel) for processing and decision.

A copy of the application(s) and supporting documents can be accessed on the Fast-track website: <https://www.fasttrack.govt.nz/projects/arataki>

**Your comments must be received by the Fast-track Team no later than 13 November 2025.** There is no right for you (or any other person) to seek a waiver of this time limit.

The Fast-track Team will forward copies of any comments received to CDL Land New Zealand Limited and the Panel.
