Dear Fast-track Team,

Thank you for the opportunity to comment on the North West Rapid Transit application.

We acknowledge the importance of improving transport infrastructure and connectivity in the North West area of Auckland.

As landowners at [REDACTED] Whenuapai, we would like to express our interest in ensuring that the project does not adversely affect:

- future development potential of the land,
- access for industrial and heavy vehicles,
- local road connectivity,
- drainage and stormwater management,
- and the ongoing use and functionality of surrounding business-zoned land.

We would appreciate being kept informed of any future updates, designation changes, land requirements, or proposed works that may affect our property or nearby access arrangements.

Should any direct impact on the property arise during the detailed design or approval stages, we would appreciate early consultation and engagement.

Thank you for considering our comments.

Kind regards,

Wei Bai Cen  
Wen Yan Sun
