Request for information from Tararua Wind Power Limited in relation to the Mahinerangi Wind Farm application under the Fast-track Approvals Act 2024

The Mahinerangi Wind Farm Expert Panel (the Panel) has directed the Environmental Protection Authority (EPA) to request further information from you under section 67 of the Fast-track Approvals Act 2024 (the Act), relating to the Mahinerangi Wind Farm application.

At the direction of the Panel, the EPA is seeking further information from Tararua Wind Power Limited regarding the following:

1. Could the applicant please confirm the planned surface of the substation hardstand, including the extent, if any, of impervious areas and associated collection and discharge of any stormwater.

Supply of Information

In accordance with section 67(2) of the Act Tararua Wind Power Limited must:

- a) Provide electronic copies of the information or report requested; or
- b) Advise the EPA, with reasons that you decline to provide the information or report requested.

Accordingly, please provide the requested information to the EPA by **5pm Friday 5 June 2026**. If the information is not received by this date, the Panel will proceed on the basis that the request for further information has been declined.

Please note, the information will be provided to the Panel, the applicant and every person who provided comments on the application. The information will also be made available on the Fast-track website.
