Dear Hunua Quarry Development Panel,

Hunua Quarry Development Fast Track Application – comments on draft conditions
489 Hunua Road, Hunua, Auckland

1. Watercare Services Limited (**Watercare**) welcomes the opportunity to provide comments on the Hunua Quarry Development Fast-track draft conditions.

2. Watercare notes that draft condition 246 retains the process for responding to potential effects on Hays Creek Dam, reservoir yield or stream flows. Watercare further notes and supports the inclusion of a requirement for relevant monitoring reports to be provided to Watercare.

3. Having reviewed the draft conditions, Watercare does not seek any further amendments to the draft conditions and has no further comments.

4. If any substantive changes to draft condition 246 are proposed following comments from other parties, Watercare requests an opportunity to review and comment on those changes before the conditions are finalised.

Yours faithfully,

Chloe Jacobs
Development Planner
