MINUTE 2 OF THE PANEL CONVENER

Convener's Conference

Redvale Landfill Expansion [FTAA-2608-1278]

3 November 2026

---

[1] A conference will be held on 10 November 2026. The purpose of this minute is to confirm additional attendees at that conference.

[2] On 29 October 2026 I received a request from Lisa Whyte, a Rodney Local Board member who represents the Dairy Flat community. She asked to attend the conference as an observer. After conferring with Auckland Council, who agreed that Ms Whyte can attend as part of the Council attendees, I asked the EPA to inform Ms Whyte that she can attend.

[3] Thank you to those participants who have provided memoranda for the conference next week. The Memorandum of Counsel for Ngāti Manuhiri Settlement Trust, Ngāti Rango Charitable Trust and Te Kawarau Iwi Settlement Trust dated today's date has requested that Ngāti Rango be added as a participant for the reasons set out in paragraphs 7-9 of the memorandum. Ngāti Rango is noted by the Applicant, it its memorandum of today's date, as one of the three mana whenua with a strong relationship to the Redvale Landfill Site (paragraph 11). I am confirming that Ngāti Rango will be invited to attend the convener conference and I have directed the EPA to notify them via their counsel, Mr Pou.

[4] Could Mr Pou please advise me (via the EPA) if any of his clients wish to open with a Karakia at the beginning of the conference.
