

Fast-track Approvals Act 2024 Substantive Application Form Guidance

This is the substantive application form approved by the EPA in accordance with sections 43(1)(a) and (4) of the Fast-track Approvals Act 2024 (**the Act**). You will need to submit your substantive application through our digital Fast-track Portal. This application form will assist you with preparing your application in the manner required.

*Guidance note: You will need to prepare your application for submission to our digital Fast-track Portal. To submit your application successfully via our digital Fast-track Portal, you will be required to upload your application in accordance with the below step by step instructions. Please note that the guidance notes throughout this document serve as a **guide only** and are intended to help you become familiar with the process. It is not a substitute for the official application process, which you will undertake when you receive a log-in to the Fast-track Portal.*

Steps to prepare your application

1. Accessing the digital Fast-track Portal

- You will be required to submit your application via our secure digital Fast-track Portal. Please ensure you have access to the Fast-track Portal and are able to log in before starting your application.

2. Review the Requirements in this Application Form Guidance Document

- Carefully review the application requirements included in this document, including any supporting documents you must provide.

3. Prepare Your Documents

- Prepare all necessary files, consultation documents, and technical reports in advance. Ensure that your files are in the correct format (all popular formats such as e.g., PDF, Word and excel are supported) and meet the specified size limits.
- If your application is assessed as complete and referred to a panel for decision making, the EPA will publish your application on the Fast-track website. For this purpose, please prepare and provide to the EPA a redacted version of your application in addition to that omits all personal or otherwise confidential and commercially sensitive information.

4. Step-by-Step Application Process

- The Act provides for applicants to apply for a number of approvals under several existing Acts. The information required to lodge an application for each type of approval varies under the Act. Each of the checklists included in this document sets out these specific information requirements. If you are applying for multiple approvals, you will need to complete all relevant checklists.
- When preparing your application in the Fast-track Portal, you will select all relevant approval types and be prompted to provide the information accordingly down into manageable steps within the Fast-track Portal. Follow the instructions carefully, and

ensure all required fields are completed before moving to the next stage. Before final submission, review your entire application to confirm that all details are accurate and that all supporting documents are attached. Mistakes or missing information may result in your application being assessed as incomplete.

5. Submission Confirmation

- Once your application is submitted in the Fast-track Portal, you will receive a confirmation email indicating that your application has been successfully received. If you do not receive this email, please contact our support team.

Part 1: Authorised person details

Guidance note:

- For a listed project, the project name should be the same as that identified in Schedule 2 and the authorised person should be the person specified for the project listed in Schedule 2.
- For a referred project, the authorised person should be the person specified by the Minister as the person authorised to lodge the substantive application under section 27(2).
- For either a listed or referred project, if there is more than 1 authorised person, details should be provided for all authorised persons.

Subsequent parts in this form refer to the 'applicant' or in some instances 'authorised person'. For the purposes of this form, this means the authorised person (and any agent) specified in this part.

- ☐ A mining permit that would otherwise be applied for under section 23A of the Crown Minerals Act 1991 (section 42(4)(n)). If yes, complete **checklist I1** for mineral mining permits and **checklist I2** for petroleum mining permits.

Prior to lodging this application, did the applicant lodge the information specified in section 37(2) with the relevant chief executive?

- ☐ Yes ☐ No

Guidance note:

- *This is not a requirement; however, an applicant may lodge this information under section 39(2). The information required is set out in section 39(2).*
- *The information lodged under section 39(2) must not be lodged unless any fee, charge, or levy payable under Fast-track Approvals (Cost Recovery) Regulations 2025 in respect of the land exchange application is paid (section 39(3)),*
- *If there is more than 1 authorised person, any 1 of the authorised persons may lodge the information on behalf of all of them (section 39(4)).*

Please confirm whether the following apply (section 42(11)(a)-(f)):

- ☐ The approval is sought for 1 or more deposits of 1 or more minerals
- ☐ The applicant holds exploration permits or existing privileges that apply to those minerals and have more than 3 months before they expire

- ☐ The area of land for which the approval is sought is within, or the same as, the area of land to which those exploration permits or existing privileges apply
- ☐ The application proposes that those exploration permits or existing privileges be surrendered in relation to the area of land over which the approval is sought
- ☐ The proposed term of the approval is no more than 40 years
- ☐ Granting the approval would not be prevented by any of sections 25(6) and (7) and 30(8) of the Crown Minerals Act 1991 if the approval were applied for under the Act

Guidance note: If the application is lodged by more than 1 authorised person, the applicant for the purposes of section 42(11) is the person who is proposed to hold the approval (section 42(13)).

Part 4: Requirements for substantive application

Guidance note: This part identifies the requirements for a substantive application in sections 43 and 46 and that are not otherwise addressed in other parts of this form or the checklists. Please ensure that the information provided is specified in sufficient detail to satisfy the purpose to which it is required (section 44).

Subpart 1: General requirements for substantive application

Does the application relate solely to a listed project or a referred project (whichever applies) (section 46(2)(b))?

☒ Yes ☐ No

Are there any differences from the application and the project as described in Schedule 2 (for a listed project) or in the notice of the Minister's decision under section 28 (for a referred project) (section 46(2)(b))?

☒ Yes ☐ No

If yes, please provide details on the difference(s) and describe how they relate, or do not relate, to the project as described in Schedule 2 (for a listed project) or in the notice of the Minister's decision under section 28 (for a referred project).

Please explain how the project is consistent with the purpose of the Act (section 43(1)(b)(i)). Or, if the application was referred under section 21(1)(a) of the Act, please explain how both the stage to which the application relates and the whole project are consistent with the purpose of the Act, and provide information relating to the likelihood that any later stages of the project will be completed (section 43(1)(b)(ii)(A) and (B)).

For a description of differences refer to section 2.6 to 2.10 of the AEE. For consistency description with the purpose of the Act refer to sections 1.4 and 8 of the AEE.

If the application is lodged by more than 1 authorised person, please state for each approval identified in part 3, which proposed approval is to be held by which authorised person (section 43(1)(d)):

Guidance note: Section 42(3) requires that, for each approval sought, the applicant must be eligible for any corresponding authority under a specified Act or, if the application is lodged by more than 1 authorised person, the authorised person who is proposed to hold the approval sought must be a person who would be eligible to apply for any corresponding approval under a specified Act.

If applicable, please explain how the application complies or does not comply with any information requirements specified by the Minister under section 24 (section 43(1)(e)(i)):

Have you completed the relevant checklist(s) identified in part 3 as relevant to the approval(s) sought (section 43(3))?

☒ Yes ☐ No

If yes, please identify which checklists have been completed:

CHECKLIST A – Resource consent, change to or cancellation of a resource consent

Checklist A must be completed if you are applying for an approval under section 42(4)(a) (resource consent) and/or section 42(4)(b) (change or cancellation of resource consent condition). The substantive application must comply with these requirements. The checklist is designed to assist you in providing all the relevant information. If an application does not comply with all requirements, then the EPA must return it to the person who lodged it.

This checklist, and checklist A1 and A2, set out the requirements in clauses 5 – 9 of Schedule 5, unless they have already been addressed in the substantive form.

If the application is for a subdivision or reclamation, in addition to checklist A, checklist A1 must also be completed.

If the application includes a standard freshwater fisheries activity, checklist A2 must be completed.

If this checklist is being completed for an approval for a change or cancellation of a resource consent, clause 10 of Schedule 5 provides that the application include the information required in clauses 5-9 of Schedule 5, and those clauses apply as if reference to a resource consent were to the change or cancellation of a condition and an activity were to the effects of the change or cancellation of the condition.
