Re: Comments under Sections 53 and 54 of the Fast Track Act

Thank you for the opportunity to provide comment.

At this stage, I have no negative comments. OceanaGold (New Zealand) Ltd has kept us well informed regarding their plans and how these may affect our property and household. As long as the company continues with regular and accurate monitoring of vibration, noise, and dust, as they have indicated, we will be satisfied.

Yours sincerely,

Martin Kenneth Barber
